Product Sheet

Window Side Panel Arc Midi

Fractal Design's new side panel features a large fully transparent window allowing you to display your setup in style.

The acrylic window side panel features the same clean, Scandinavian design as the case itself, and has a completely flat outer surface without any plastic bezel or rivets.

Installing the Fractal Design side panel could not be easier - simply remove and replace the standard panel!

Key features

- Completely flat outer surface, no plastic bezel or visible rivets
- Clean, stylish Scandinavian design that matches the case
- Easy installation - simply replace the standard panel, no modification necessary
- Window size (W x H): 270 x 290mm, positioned 45mm from both the top and the back edge
